About Caregiving

STAFF

The Haven 24 hour a day care giver meets state requirements established by Chapter 83 of the Wisconsin's Administrative Code - Department of Health & Family Services. Staff is also involved with care conferences. Administrative staff are also available to assist with operational issues like billing and insurance claims.

AVAILABLE IN MONDOVI, STANLEY & DORCHESTER

Fees: All inclusive cost for comprehensive level

Efficiency	\$4200/mo
Lg Efficiency	\$4400/mo
Stand 1 Bed	\$4600/mo

RN Supervision: Routine RN care review is not required for CBRF in Wisconsin. However, because we do not turn away even some of the most advanced conditions, The HOMEPLACE does provide RN oversight of CBRF care.

Tenants who receive public assistance subsidies contribute to their care as determined by each agency. On average costs are based on your income and can range from \$600 to \$800 per month. Get more information from your local agency. Ask us about contact information for your ADRC.
